**Latest COVID-19
Requirements for Air
Passengers Traveling to the
U.S.**

Starting June 12, 2022, the CDC will no longer require air travelers to show a negative COVID-19 test result, or documentation of recovery from COVID-19, prior to boarding a flight to the **United States.**

CDC's Order requiring proof of vaccination for non-U.S. citizen non-immigrants to travel to the **United States is still in effect. More information can be found [here](#)**

FRAGOMEN

Immigration update: the status of Ukrainians in Luxembourg and access to the temporary protection status

The conflict in Ukraine has led to a humanitarian and immigration crisis. The situation in the European countries directly bordering Ukraine is rapidly developing, and concessions have been made at the European borders with Ukraine to ensure that entry is facilitated and not slowed down by red tape.

The Transatlantic Trade and Investment Partnership

During the 19th and 20th centuries when the agricultural economy of Luxembourg crashed and people were starving, large numbers of Luxembourgers immigrated to a better life in America... and prospered.
