General presentation of the zoo

**2000 animals and over 350 different
species !**

The Amnéville zoo is a privileged excursion for nature and animal lovers. And **one of the largest in Europe !** About **30 minutes from Luxembourg**, and on 18 hectares, it offers its visitors an **unforgettable experience !** You will be able to attend **shows** (sea lions, birds of prey) as well as **guided tours** (penguins, gorillas, wolves, brown and polar bears...).

The little ones will also enjoy walking around the **new immersive mini-farm** where they can walk among small harmless animals (and even feed them !).

Open **365 days a year**, it has **3 restaurants and 4 snack bars** ; the **restaurant menu** has been **revised and extended** so that everyone can find something to suit their hunger and preferences.

Being one of the largest areas in France in terms of **biodiversity**, the zoo also allows an **awareness of the issue of nature protection**.
