Dear Chairman Schonenberg and Mr. Ambassador

On behalf of the men and women of Saber nation I would like to thank you for recognizing the 52d Fighter Wing with the Spirit of Freedom award. It is with great appreciation and honor that we accept this gracious award and the beautiful crystal stallion statue. We will display it proudly as a symbol of our continued partnership!

We would also like to express our gratitude for the generous refund cards offered for our Airmen. The continued support from the American Chamber of Commerce in Luxembourg to ensure the region is and remains a great place for international companies and employees to thrive is of vital importance to Saber Nation's Airmen and their families.

The Luxembourg community and partnership makes us stronger than ever. Our Airmen remain motivated to tackle the mission at hand; to deter, defend, and if called upon—dominate. Thank you for standing side-by-side with our Sabers!

Sincerely
