## AMCHAM Member Benefits Club

### Welcome new Partners

The **Creative Academy Shop** offers products emanating from an inspired creative process that contribute toward the rise in collective consciousness, activating people's divine creative potential. All products are designed with Love and passion. Every shop collection features one of my artworks, co-created with God. My creations make a tribute to the Divine Feminine, ultimately embodied in the Virgin Mary.

The collection « Featuring Jean-Pierre Calteux (1911-1983) » honors my grand-father's work, who was a professional artist painter and artistic teaching professor

## Welcome to AMCHAM's Newest Members

Established in 2001, the **Aztec Group** is a leading independent European specialist in fund administration and corporate services with nine offices in six global jurisdictions (Luxembourg, U.S. Guernsey, Jersey, UK, and Ireland). Owner-managed, we specialise in alternative investments vehicles, spanning the major asset classes including private equity, venture capital, private credit, real estate and infrastructure. We established our presence in the Grand Duchy in 2007 and now employ over 650 specialists of more than 70 different nationalities - 85% of them living in Luxembourg.

CSL MAG MAGAZINE

**City Savvy Luxembourg (CSL MAG)** has been on the scene since 2014 chronicling the people, places and events that shape Luxembourg. We are THE English speaker's ultimate guide to Living in Lux! We pride ourselves on simplifying your life in by keeping you informed and entertained! If you're just visiting, you can use our site to discover the best ways to spend your time (whether long or short) here in Lux. From The Best of Luxembourg in 1, 2 or 3 Days, to our Guide to the Best Places for G&Ts in Town and more...whatever you need, we've got you covered!

**Studio Maestrale** is an engineering consultancy company with innovation and sustainability in its core values. It has been established in 2022 with the aim to provide smart consultancy services and expertise related to building and construction projects and to bring added-value by implementing the right mix of field experience, communication strategy and up-to-date technology to ensure effective and efficient project implementation.

**Luxmetering** is an economic interest grouping, created in 2012 by the seven electricity and gas network operators Creos Luxembourg, Ville d'Ettelbruck, Ville de Diekirch, Hoffmann Frères (Electricis), Ville de Dudelange, Sudstrom and Sudenergie. Its purpose is to act as a common operator for its members and customers by taking charge operation of the central data collection and management system and defining smart metering functionalities for electricity and natural gas, water and district heat.

## News from our Members

DSM: Responses to parliamentary questions on completion guarantees

**Since certain recent bankruptcies, off-plan sales (VEFA) legislation, supposedly protective of buyers, has shown its limitations.**

This is particularly true of guarantees of completion and reimbursement guarantees (garanties d'achèvement respectivement de remboursement), which should be returned to buyers, around which there are many questions and much uncertainty: what exactly does the guarantee cover? What are the guarantor's obligations and what are the limitations thereof?
