Welcome new Partners

CleenUp is providing mobile, on-demand car cleaning services using eco-friendly nanotechnology to clean cars for companies and consumers, saving precious time, cost, water and CO2 in the process.

Can you imagine that your car fleet gets cleaned at the time and place you want hassle-free?

We clean up to 75.000 cars annually.

Environment protection is a priority for our founders, partners and employees as well. The detergent we use is close to 100% biodegradable.

In 2019 CleanUp was named as one of Europe's top 30 CleanTech companies by Climate KIC.
