Purposefulvibes

Hi, I'm Gül.

I'm an Intuitive Healer and Transformation Coach helping corporates and entrepreneurs who struggle with self-doubts and feeling stuck.

I've been healing and transformation journey for 10 years....

Together, we work to resolve your anxieties, blockages and self-worth issues so you can make powerful, bold decisions that bring you a deep sense of meaning and healing, integrity in life and inner peace

My niche is finding the blocks that are causing your struggles and initiate transformation by releasing them.

I use intuitive readings and energetic channeling to go exactly where you are holding blocks and fears. We'll heal those deep wounds to initiate the inner shifts.

As you do the inner shifts, you are no longer defined by your fears and your transformation begins...
