International Women's Day 2024

08/03/2024

For the seventh continuous year in Luxembourg, PwC, Baker McKenzie and AMCHAM are celebrating the International Women's Day (IWD) as an iconic moment to reflect on how far we want to push the gender needle in today's society.

Each year, we gather a group of insightful and daring speakers to nurture a genuine, inspirational and thought-provoking conversation around the opportunities and challenges of gender balance and inclusion.

RTD Committee Report

Last week's first meeting of the RTD (Research, Training, Development) Committee brought together a diverse group of professionals, each contributing unique perspectives to the discussion. Jana Fiedler, Petre Bica, Canan Kocgil, Paul Schonenberg, and Sonja Holper gathered to engage in a dynamic exchange of ideas and insights.

Event Reports

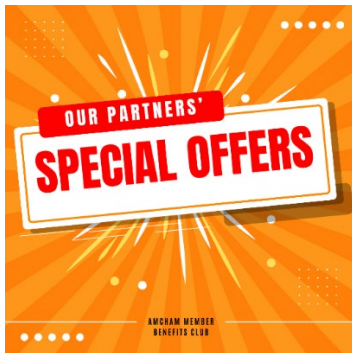

AmCham was very pleased to have the opportunity to partner with Vodaphone and Gul Sonmez Palumbo of Purposeful Vibes to deliver a well-received lunch time presentation on Overcoming Procrastination to an interested and engaged crowd of 100 attendees at the Vodaphone office location in Kirchberg. This event was our first AmCham event of 2024 and succeeded to completely hold the attention and interest of our attendees.

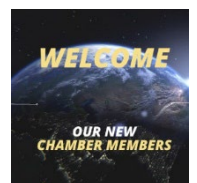

On January 24, 2024, the Indian Business Chamber of Luxembourg (IBCL) orchestrated a successful networking event at DSM Avocats à la Cour. Attended by over 50 professionals, the event entitled “Taxation and Investment Policies of India and Luxembourg for cross-border financing” provided a platform for insightful presentations, networking opportunities, and shared discussions over a delightful glass of wine.
