MW Enterprise was founded by an expert with more than 12 years of active military and police service, much of it in specialised police units. This intensive experience forms the basis for our current mission: advising authorities and multinational corporations on the implementation of innovative security concepts.

### **Project realisation with engineering know-how**

After completing a detailed concept, we work on the individual, customised project implementation. We attach particular importance to seamlessly integrating existing processes into the new project. A key to the effectiveness of our solutions is our collaboration with highly qualified engineers. Their expertise enables us to take innovative approaches and ensure that each project meets the highest standards.

### **International expertise and services**

To achieve the best possible results, MW Enterprise works with the most exclusive and innovative experts in the European Union, the United Kingdom and the United States. This international co-operation broadens our horizons and enriches our solutions. As we attach great importance to first-class service, we support our customers with comprehensive services before and after the realisation of their projects. Your satisfaction is our top priority.

- Innovative products
- Safety standards for the emergency services
- Technical expertise
- All-round carefree package
- Customer service and advice
- Distributor

### **Slogan**

Innovation, quality, safety. MW Enterprise – your partner for customised solutions.
