Paul's Picks of the Week

The meaning of life

6 SENTENCES THAT WILL CHANGE YOUR MINDSET AND LIFE:

1. "Everything in life happens for me, not to me." – Shift from a **victim** mindset to a **growth** mindset by seeing challenges as **opportunities**.
2. "I am in control of my thoughts, actions, and reactions." – Take **responsibility** for your life and **focus on** what you can control.
3. "Small daily improvements lead to massive success over time." – **Consistency** beats intensity; **progress** compounds.
4. "Failure is not the opposite of success; it's part of success." – **Embrace** mistakes as **learning** experiences instead of setbacks.
5. "I attract what I focus on, so I choose to focus on the positive." – Your thoughts **shape** your reality; cultivate optimism.
6. "My past does not define me; my present decisions do." – **Let go** of past regrets and **build** the future you desire.

Crispy on the outside, soft on the inside, and packed with comforting flavours, these fritters are your go-to treat, whether you're starting the day or indulging in an afternoon break.
