TRAINING SESSION | 11.12.2025 - End of employment contract: formalities, obligations, and risks?

As an HR professional, you may want to understand the various steps and administrative formalities required when terminating an employment contract to ensure the validity of a dismissal or resignation and avoid any future disputes.

Training objectives

- Analyze the different cases of employment contract termination and understand their legal consequences
- Master the various procedures to follow
- Identify risk factors and critical points to prevent litigation

Training session will be held in English in the morning and in French on the same day in the afternoon.
