PAUL'S PICKS OF THE WEEK

8 Rules of a Gentleman (That Most Forgot)

1. Never shake a hand while sitting down. Stand up.
2. If you pour a drink for yourself, offer one to the others around you first.
3. Never look at your phone while someone is speaking to you.
4. When you walk with a woman, walk on the side closest to the street traffic.
5. Keep your word. If you say you will be there, be there.
6. Never criticize your wife or partner in public.
7. Always carry cash. Technology fails; preparation doesn't.
8. Respect the person who is serving your food.
9. Share this with someone who needs to know this.
